

1 A. ~~It's hard to look at.~~

2 Q. ~~Why is it hard to look at it; what is~~
3 hard to look at?

4 ~~A. The chin, mouth and the nose.~~

5 Q. When you say the chin, the mouth and
6 the nose, are you talking about the chin, the mouth
7 and the nose on the person on People's 12-D?

8 A. Yes.

9 Q. Why is it hard to look at the chin, the
10 mouth, and the nose of that person?

11 ~~A. Because it looks like the chin, the~~
12 ~~mouth, and the nose of the person I saw.~~

13 Q. Does that look different than the chin
14 and the mouth and the nose of the person in
15 People's 9-M-8 through 13?

16 A. Yes, in some of the pictures -- some of
17 it doesn't -- it looks a little more -- looks like
18 pictures, and some of them look like the person who
19 was there that day also.

20 Q. Does the -- does that photograph,
21 People's 12-D, appear slightly different than the
22 photograph that you looked at on the computer in
23 the car and the photograph in number 2 in the photo
24 lineup?

25 A. Looks a lot different.

26 Q. And is that why you were reluctant to
27 identify the individual because of the difference
28 in the way he appeared on March 20th, 2008, and the
